PRESS RELEASE – SEMI vs SEMI CRASH

Injury Update

On 12/20/18 at 9:37 a.m. the Dodge County Sheriff's Office responded to a semi versus semi crash on State Highway 33 at the intersection of County Highway TW in the Town of Hubbard, Dodge County, Wisconsin.

Preliminary investigation shows that Alajandro Alfaro (31-years-old from Elgin, IL) was operating a 1999 Peterbilt north on County Highway TW. Alfaro failed to stop for the stop sign and struck a 2016 Freightliner operated eastbound on State Highway 33 by Royce Shultis (58-years-old from Reedsburg, WI).

Road blockage caused both lanes of State Highway 33 to be shut down until the debris could be cleared. As of approximately 10:35 a.m. the eastbound lane of State Highway 33 has been re-opened. The westbound lane is still closed until removal of the semis is complete.

Alfaro was transported to Beaver Dam Hospital with non-life threatening injuries. Heavy fog is believed to be a factor in the crash.

The crash remains under investigation by the Dodge County Sheriff's Office.

Assisting at the scene was: Horicon Fire Department and Horicon EMS, Mayville Police Department, Horicon Police Department, Wisconsin State Patrol, DCERT and the Dodge County Highway Department.

Questions can be directed to Sheriff Dale Schmidt.
